SERVING THE COMMUNITY SINCE 1920

# Integrated Wrap Around Services

## Mission

To empower Arizona communities through education and human services

## Vision

To be Arizona's leading provider of superior education and human services

# Partnership

Since 2013, Friendly House has partnered with the Governor's office to fund the Parent Education and Drug Prevention program.

Thanks to these funds Friendly House has been able to serve thousands of families in Maricopa County

In addition, having this program opens doors for other projects we have at Friendly House, to provide services at sites where otherwise we wouldn't have access to.
